Vijećnica

Sarajevska vijećnica je zgrada u Sarajevu nedaleko od Baščaršije na Mustaj-pašinom mejdenu i predstavlja jedan od najljepših i najreprezentativnijih objekata iz austrougarskog perioda građen u pseudo-meurskom stilu. U ovom stilu rađena je većina objekata što ih je u Sarajevu ostavila austrougarske vlast, a sinonim je za austrougarski period u Bosni i Hercegovini i zaštitni znak tog vremena.
